

Colleagues,

As the incoming House Rules Chair, I am happy to announce that Micaela Bradner will be returning next session as the House Sergeant at Arms. At this time, we are searching for individuals who are interested and available to work through the entire session as Legislative Pages. Below are the requirements for page positions, as well as procedures for applicants to submit their résumés and driving records. I encourage you to include it in a newsletter or other communication to your constituents.

The starting salary for page positions is \$3343.00 per month. All monthly paid employees receive full medical, retirement and leave benefits. Salaried employees do not receive compensatory time or overtime and are on-call 7 days per week.

Pages serve under the supervision of their Sergeant at Arms to provide support services to legislative members. They are on-call in the Chamber for each legislative day providing such services as:

1. Acting as doormen of the chambers
2. Remaining on-call in the chamber during session
3. Relaying messages, letters and documents both to and from the legislators and to and from legislative offices and agencies
4. On a daily basis, maintaining the bills, journals and other documents used in the chambers
5. Driving the legislative vans as requested – a driver's license is required

Interested individuals can mail or email a copy of their résumé and a copy of their Department of Motor Vehicles driving record to my office by Friday, December 16, 2016. The procedure for requesting a driving record can be found here: <http://doa.alaska.gov/dmv/akol/record.htm>.
